**Response To Invitation to Furnish Nucleotide and Amino Acid Sequence Listing
Complying With WIPO Standard ST25**

Dear Sirs:

In response to the Invitation to Furnish Nucleotide and/or Amino Acid Sequence Listing Complying with WIPO Standard ST25 Form PCT/ISA/225, Applicants herewith enclose:

1. a nucleotide and amino acid sequence listing in written form; and
2. a nucleotide and amino acid sequence listing in computer readable form.

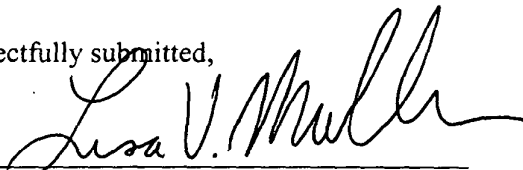

For the sequence shown in Figure 5 of the above-identified application, Applicants herein provide a copy of this sequence in the 5' direction. The complementary (3') sequence has not been provided. If a copy of the complementary sequence is desired, please contact the undersigned agent immediately.

The undersigned attorney, who is the agent of record in this application states that the written form of the sequence listing does not go beyond the disclosure in the international application as filed. Support for the sequence listing can be found in the drawings filed.

The undersigned attorney also states that with respect to the computer readable form of the sequence listing that the information contained in this computer readable form is identical to the written sequence listing enclosed herewith.

Respectfully submitted,

By
